For more than 20 years Dance Adventure has been one of KW's premiere dance studios. Our students enjoy a warm, cheerful, family atmosphere while learning fun and challenging routines. We offer a variety of dance styles to all ages and abilities in a safe, positive and encouraging environment. As dance educators we focus on providing a strong technical background for our students; we provide opportunities for our dancers to learn, expand their skills and gain confidence. Most importantly, we strive to instill a love of dance through fun and enjoyable experiences. Every student at Dance Adventure is special and is treated with respect and love.
